

Reading- Matthew 14: 30-31 NKJV

30- But when he saw that the wind was boisterous, he was afraid; and beginning to sink he cried out, saying, "Lord, save me!"

31- And immediately Jesus stretched out His hand and caught him, and said to him, "O you of little faith, why did you doubt?"

Peter steps out of the boat and walks on the water next to Jesus. But after some time, the storm grows stronger and, overwhelmed by a situation over which he has no control, Peter begins to sink. Immediately, Jesus saves Peter. But then asks one question "O you of little faith, why did you doubt?"

When storms in life happen, it's oh so easy to have the same reactions as Peter. We can become so focused on the problems around us that we can lose sight of our Saviour standing right by us. But even when all hope seems lost, He is near. His constant presence is our confident assurance that through all of life's storms, God is, and always will be, in control.

Whatever we're going through at this present time, be encouraged: The Great Architect is our anchor, He is able to do the impossible, and he will not let us drown. So, let us hold on to our hope by keeping our eyes firmly fixed on Him.

In the words of the hymn.

Look forward in faith
All time is in God's hand
Walk humbly with Him
And trust his future plan
God has wisely led
His people by his power
Look forward in hope
He gives us each new hour

Look forward in faith
The world is in God's care
His purpose of Love
He calls on us to share
In our neighbours need
The Lord is present still
He blesses the meek
The Earth will know God's will

Stay safe Brethren,
Till the next time.
